3. Submission Guideline

1. Solution Pitch Deck

Use the official slide deck template to prepare your presentation

- **Slides 1–6 must stay in this exact sequence** — do not add, remove, or reorder any of these slides
- If you need more space for diagrams, calculations, or other supporting details, please add appendix slides starting from Slide 7 onward
- **Official language: English**
- **File format: PowerPoint (.pptx)** file only, please do not export to PDF or submit a shared Google Slides/Canva link.
- **Name your file: TEAM NAME_PROJECT TITLE**
- Judging criteria: Map your inputs to the official judging criteria shared on our website: <https://apps.rmit.edu.vn/r/ADC2026>

2. Solution Video

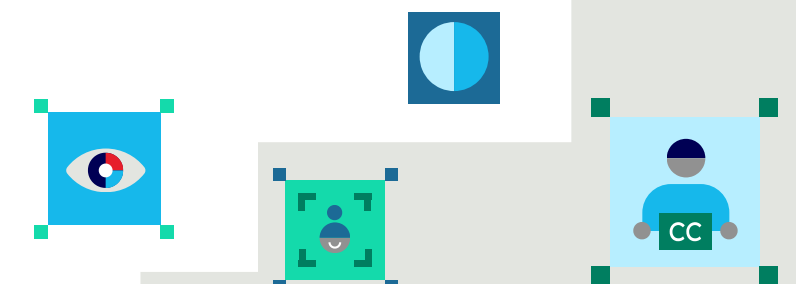

- Must be **less than 5 minutes long**
- Use the video to present and explain your slide, make sure the slide is clearly visible throughout the video
- You may record it using Microsoft Teams or Google Meet
- **MP4 or MOV video formats** only
- **Official language: English**
- Record in **landscape orientation**, with a **16:9 aspect ratio**
- Make sure the audio is clear and easy to understand, video visible
- All team members are encouraged to contribute to the video

Notes

- Teams are responsible for ensuring that **all submitted files are complete, accessible, and uploaded successfully** before the deadline.
- The Organising Committee doesn't accept late submissions or take responsibility for submission errors, corrupted files, or technical issues experienced by participants.

Avoid waiting until the last minute to minimise the risk of unexpected errors.

3. Submission Guideline

THREE TYPES OF SOLUTIONS

Ideas must address one of the solutions to employment in the form of a prototype.

Attitudinal & Communication Solutions

Comprehensive strategies to create inclusive workplace environments that integrates into the broader corporate wellness initiatives and internal policy.

Technological Solutions

Leverage advanced technologies to enhance work performance, such as AI & Automation for Workplace Accessibility, Remote & Hybrid Work Accessibility.

Architectural/Industrial Solutions

Creating physical spaces and products that are both sustainable and accessible.

4. Tips to Succeed at ADC

1

Understand users before building

2

Focus on accessibility and real-world impact

3

Engage actively with mentors

4

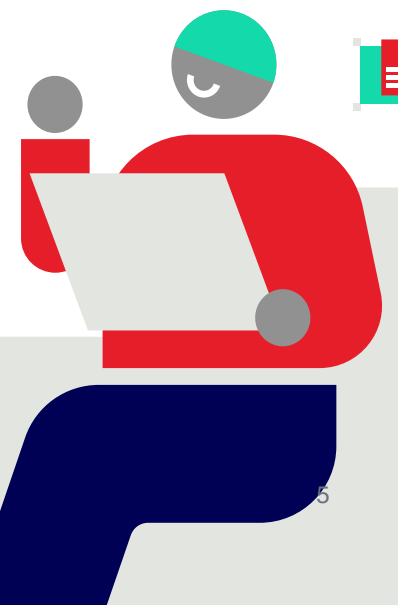

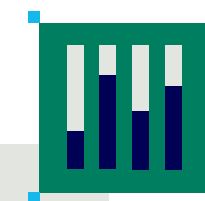

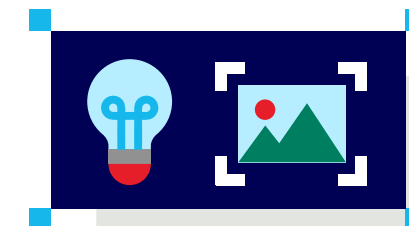

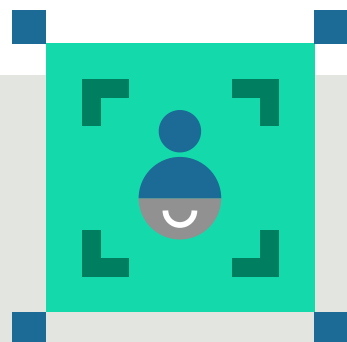

Keep your solution practical and feasible

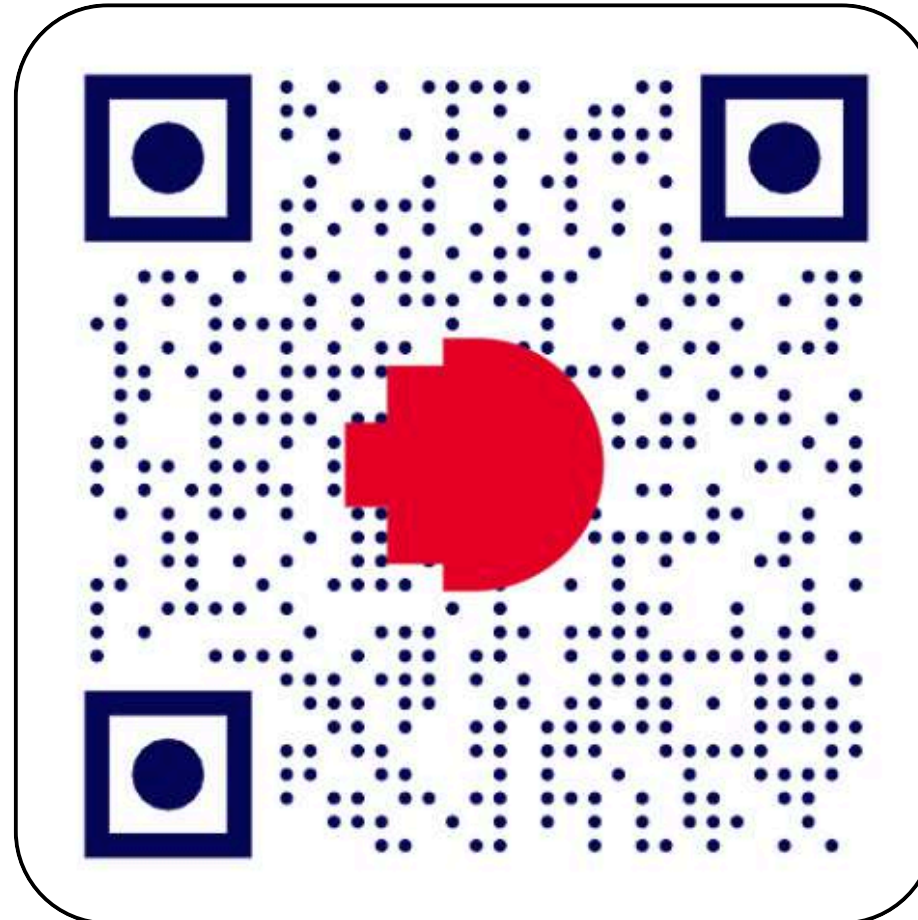

5

Manage your time effectively and submit early

Bring your laptop, phone, pens & paper for note-taking
